Journeyman Electrical Instructor

Helena, MT
MAY 2022 – JUN 2023
JUN 2018 – MAY 2022

Directed and coordinated training programs for apprentice and journeyman electricians, ensuring compliance with industry standards and local regulations.

Managed curriculum development, incorporating emerging technologies and best practices to prepare students for real-world applications in the electrical trade.

Delivered engaging and comprehensive instruction to apprentice and journeyman electricians on various topics, including electrical theory, National Electrical Code (NEC) compliance, and practical applications.

Oversaw administrative operations, including enrollment, scheduling, and tracking student progress, ensuring program efficiency and success.

Various Employers

Journeyman Electrician

Apprentice Electrician

Helena, MT & Indianapolis, IN
JUN 2017 – JUN 2023
JUN 2018 – MAY 2022

Education

Arizona State University

Bachelor of Science in Data Science

Focus on Business Analytics

Minor in Human Systems Engineering

Expected Spring 2026

Acquired a strong foundation in data science principles, including machine learning, data visualization, statistical analysis, and programming.

Developed expertise in Python and R for data manipulation, automation, and exploratory analysis, utilizing libraries such as Pandas, NumPy, Scikit-learn, and ggplot2.

Applied SQL to query and manage databases, creating efficient data pipelines for storing and retrieving large datasets.

Google Data Analytics

JAN 2023

Professional Certificate

Completed an intensive, industry-recognized program covering the end-to-end data analysis process, from data cleaning and wrangling to visualization and reporting.

Developed proficiency in tools such as SQL, Spreadsheets (Excel, Google Sheets), and R programming for data manipulation, analysis, and automation.

Built interactive dashboards and visualizations using Tableau and R's ggplot2, effectively communicating insights to stakeholders.

Indiana University

AUG 2011

Bachelor of Arts in Telecommunications
